It is with great excitement that the Ayala Band and Color Guard Boosters kick off our 1<sup>st</sup> Annual Golf Tournament at the spectacular Vellano Country Club in Chino Hills. The 6,965-yard Greg Norman Signature designed golf course, open to members only play, is as challenging as it is elegant. Their beautifully appointed Tuscan Style Club House will be the venue for our awards banquet to follow immediately.

The Ayala Band and Color Guard Boosters organization helps raise funds necessary to keep this award winning program at its peak. Monetary support is needed to defray rising costs for expenses such as transportation, uniforms and instruments purchase, and equipment repair. In addition, we are in need of a new instrument trailer. Your participation in this tournament will help us in our efforts towards reaching these goals.

Come out and enjoy a day of friendly competition and good company while helping a great group of kids. Your prepaid registration fee includes range balls, golf cart, bag tag, sleeve of balls, tees, box lunch, barbeque dinner and the always anticipated goody bag. Space is limited and we anticipate a sell out so please register your foursome as soon as possible. Individual golfers are welcome. If you don't play golf, join us for the delicious Awards Banquet. Or, advertise your business by donating a prize for the raffle and silent auction to be held during the Awards Banquet. Sponsorship opportunities are available on a limited basis.
